**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please KEEP unbundled fiber network elements! Per the 1996 Telecommunications Act, new network deployment and competitive markets keep all companies in business. Sonic is a grassroots internet and telephone provider that services the great San Francisco Bay area and potentially beyond if the 1996 Telecommunications Act is served.

No price hikes the will increase cost of internet and telephone services
